Coles-Moultrie Electric Cooperative

Serving you for over 75 years

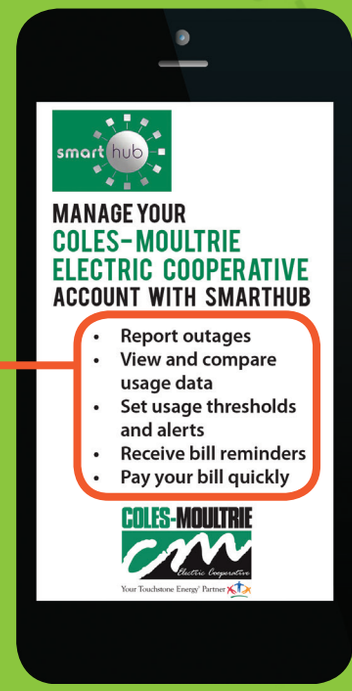
History

Most Illinois electric cooperatives were started over 75 years ago by families wanting electricity for their farms and homes.

Because of the lack of density, it simply wasn't possible for the for-profit utilities to make a profit serving rural areas with only a few farms or homes per mile of electric line. With the help of loans from the Rural Electrification Administration (REA), these rural people banded together to form rural electric cooperatives. Cooperatives remain member-owned, member-governed and member-regulated.

MANAGE YOUR CMEC ACCOUNT with SmartHub

For both Apple or Android phones log into www.cmec.coop



DOWNLOAD SmartHub

1. Download the free mobile app for your Apple or Android device by searching for "SmartHub" in your app store.
2. Select the "By Name" button in the lower right section of the screen.
3. Type in "Coles-Moultrie Electric Cooperative" and click on the "Search" button, and select "Coles-Moultrie Electric Cooperative."
4. Make sure that "Coles Moultrie Electric Cooperative" appears on the next screen and select "Confirm."
5. Enter your user name and password. Then, select the "Login" button.

REPORT YOUR OUTAGE

1. Click on the "Contact us" icon.
2. Click on "Report an Outage."
3. Confirm that the address listed is correct for the outage location, and type a comment (optional). Then select the "Report Outage" button.
